

Alex Altunin

EXPERIENCE

UX/UI Designer with 6+ years of experience designing digital products for SaaS, CRM, ERP, FinTech, iGaming, and eCommerce businesses.

I specialize in transforming complex business requirements into intuitive interfaces that help companies grow, optimize workflows, and improve user engagement.

Throughout my career, I've worked with startups, established businesses, and product teams, creating scalable design systems, dashboards, customer portals, internal tools, and marketing websites.

SPECIALIZATION

- ◆ Product Design
- ◆ UX/UI Design
- ◆ Design Systems
- ◆ SaaS Platforms
- ◆ CRM & ERP Systems
- ◆ iGaming Products
- ◆ Sportsbook & Casino UX
- ◆ Multi-Platform Design
- ◆ Responsive Interfaces

I believe great design goes beyond aesthetics. It should simplify complexity, support business growth, and create experiences that users genuinely enjoy using.
